November 20, 2018

Greetings:

On behalf of myself as Mayor and Orangeburg City Council, I am delighted to welcome all participants to the SCRPA Football State Tournament being held at South Carolina State University (Oliver C. Dawson Stadium). The City is so proud to have been awarded the invitation to host this event and we are certainly looking forward to the State Tournament.

Orangeburg has so much to offer with its beautiful Edisto Memorial Gardens, which is a must see as so many varieties of flowers are in bloom at this time of the year. The longest black water river in the world, the Edisto River, runs through the Gardens. Orangeburg also has a Municipal Golf Course, parks and recreational facilities and of course the campuses of Claflin University and South Carolina State University. We have many historic sites, great boating, hunting and fishing opportunities and you can even do antique shopping in our revitalized downtown. We have a wide variety of restaurants, which offer some of the South's best home style cooking, barbecue and many other types of cuisine are available.

We hope your Tournament is a successful one and you will return to Orangeburg in the near future.

Cordially yours,

Michael C. Butler
