There's something special about Asheville and the world is just beginning to discover it. This thriving mountain city features a funky and eclectic downtown, 30 plus art galleries downtown alone, a burgeoning culinary scene, a thriving live music scene and of course the awe inspiring scenery of the Appalachian Mountains. So come along, spend a couple of days with us and discover why Asheville is the Ultimate Playground!

Day 1
We will leave the Senior Center at 7:30 am in our Charter Motor Coach. Our first stop will be the Folk Art Center along the Blue Ridge Parkway. Lunch will follow at the Neo Cantina - Mexican restaurant in Biltmore Village.

After lunch we travel a very short distance to the Tobacco Barn, which is an unusual antique business.

We will have an early arrival at our hotel, The Doubletree Hotel. The Doubletree hotel now sits on the old Biltmore Dairy Farms. After we get settled we will board the bus once more and head to downtown to transfer to another kind of bus. The La Zoom Bus!

Buckle your seats for a hilarious open bus ride around Asheville with all the characters from the La Zoom Company. It’s good fun and most of all a gut splitting good time!

Following that hour and half of good time, it’s time to get some fantastic Italian food at the Strada Italian Restaurant. Then back to the hotel for a good nights rest because in the morning you are going to learn a lot about Asheville. And who knows you might have a quiz about your trip. There will be prizes given away! So get ready for an enjoyable day out in Asheville tomorrow.

Day 2
Good Morning!
Enjoy your Breakfast at the hotel. We will board the bus and beginning our journey back in time with a tour of Asheville. You will learn about the early life and how it’s progressed to be what is known as Asheville. You’ll discover some interesting architecture facts, why Asheville became so important, and how it’s become known as “the Paris of the South”.

After our tour we will have lunch at the Twisted Laurel and then back to Biltmore Village for shopping and then back to the hotel.

Tonight’s dinner will be at Pack’s Tavern. Pack’s tavern is unique because it was in 1932 this restaurant opened up as a “tribute to the beginning of the end of prohibition”. Rumors have it that it was a hub for illegal liquor distribution serving Western North Carolina.

After Dinner it’s off to see “Off The Wagon” an enjoyable Dueling Piano Bar in downtown Asheville.

Day 3
Wake up to a great Breakfast Buffet at the hotel.

We board the Motor Coach and head to Lexington Glass Works downtown Asheville. Lunch follows at the Grove Arcade. (Grove Arcade is not what you think it is) at Carmel’s. After lunch your sweet tooth will be satisfied at the French Broad Chocolate Lounge. The tour will take about 45 minutes and if you are a chocolate lover you’ll be in Heaven.

After a great three days we journey back to Mauldin and prepare ourselves for the next trip.
