Dahlonega Ga is a town full of quaint charm, breathtaking views, outdoor adventure, and friendly faces. You might say the town is full of pure gold! It’s the site of the nation’s first gold rush, they say and Dahlonega has plenty of glitter to show off. We set out to discover, or maybe your here to rediscover, Georgia’s golden town, with no rush - they say because you’ll never want to leave!

Day 1
We board our transportation at 9:00 am.

Depart to Dahlonega, Ga with our first stop at the Gold Museum. You’ll learn about the rare findings and gold history at one of Georgia’s oldest standing courthouse buildings in the Public Square. Our lunch today is the 19 Degrees North Restaurant.

After lunch we continue our gold experience with a stop at the Consolidated Gold Mine. Enjoy panning for gold and gemstones. There will also be a chance to go underground on a mine tour.

Afterwards we will check into our hotel which is the Smith Hotel. After we settle in we will go to Dinner. After Dinner the rest of the evening is yours to enjoy.

Day 2
After Breakfast - we will go to Chestatee Wildlife Preserve. The preserve is home to over 100 animals both exotic and domestic animals that have been orphaned, have been illegally hunted or have been abused.

After our time at the Preserve we make our trek to Helen, Ga for a delicious meal downtown, shop for a little while and then make our way back to the Senior Center ending a quick two day trip.

Don’t forget to sign up for our trip to Pigeon Forge. Mark your calendars for October 19-21!

Payment Terms:
20% deposit payable upon sign up.
Payment due 45 days out from trip.
Payments can be made.
