Distinctive Details Offering Sanitizing Services for Cars

MAULDIN, SC – The City of Mauldin continues to believe our local business partners are important to the life and health of our community. With that in mind the city has set up a: SUPPORT YOUR LOCAL BUSINESS link that can be found by logging on to: www.cityofmauldin.org.

Scrolling down the page customers can find the Support Your Local Business link where local restaurant partners are sharing information about their services during the COVID-19 challenges. As businesses find creative ways to engage offering services and service to the community, the City of Mauldin encourages the upstate community to continue supporting our local partners.

The City is supporting Distinctive Details in their efforts to help offer sanitizing services for your vehicle. Distinctive Details is offering a \$40 sanitizing promotion to the community. They are also helping the City sanitize its police and fire vehicle fleet. Owner Nick Netchaeff said, "Keeping our cars sanitized and safe is another way to help combat the COVID-19 virus."

"It's great to see local business and local city governments cooperating to help our community," said Mayor Terry Merritt. "We are blessed to have a community of businesses who always rise to the occasion in times of need."

Distinctive Details is open Monday to Friday, 7:30 a.m. to 5:00 p.m. They are located at 212 North Main Street, Mauldin, SC 29662. Owner Nick Netchaeff can be contacted by phone at 864-234-0341.

The City of Mauldin will continue to promote and feature businesses within the community who are going the extra mile to help make these difficult times a little easier for everyone.

ABOUT THE CITY OF MAULDIN

The City of Mauldin is located in the Upstate of South Carolina and in the heart of Greenville County. It is the 17th largest city in South Carolina out of 270 municipalities and one of the fastest growing cities in the state.
