

New Ways to Serve Our Community

The City of Mauldin is excited to announce that its Sanitation Department has added a side-arm loading trash truck to its fleet. The new truck will begin serving the City of Mauldin on Tuesday, April 7th. In the neighborhoods where the truck will be running, the following guidelines for cart placement are required:

1. Curbside carts should be placed within 2 feet of the curb, and at least 3 feet away from obstructions such as:
 - Bulky items placed out for collection
 - Fences
 - Mailboxes
 - Parked cars
 - Piles of yard waste
 - Recycling bins
 - Telephone poles
2. Please place all household garbage and other miscellaneous trash inside your cart.
3. When you place your cart at the curb, be sure the handle of the cart faces away from the street.
4. Place your curbside cart at the curb by 7 a.m. on the day of collection.
