2020 Census Self-Response Weekly Highlights

2020 CENSUS FEATURED AT DRIVE-THRU GRADUATIONS

Bamberg County School District 2 hosted graduation-related events at Denmark-Olar Elementary School, Denmark-Olar Middle School, and Denmark-Olar High School to celebrate students and their families. Given concerns over COVID-19, the school district chose to host “drive-thru” events and encouraged families to decorate their vehicles. During the procession, 2020 Census flyers were distributed to families while school personnel encouraged visits to the computer lab to respond to the Census.

LOWCOUNTRY PARTNERS FOCUS ON COMPLETE COUNT IN GROWING BRAZILIAN COMMUNITY

Suas Noticias by El Informador Newspaper and two Brazilian community leaders have partnered to motivate their community members to participate in the 2020 Census count. They recently hosted a 2020 Census Facebook live session in Portuguese where they encouraged viewers to fill out their questionnaires and challenged them to submit pictures with signs to encourage others to count themselves as well. Community members who submitted pictures were entered into a raffle to win one of several \$5 gift cards to a local Brazilian market in Goose Creek, SC, courtesy of El Informador newspaper.
