5. Unfinished Business-There is no unfinished business.
6. New Business
  - a. Springfield Park Parking Lot Paving Project

The City issued a solicitation for Request for Proposals (RFP) to repave the parking lot with new asphalt at Springfield Park. The City received one proposal from Panagakos Asphalt Paving, Inc. During its October 18, 2022 meeting, City Council approved awarding the Springfield Park parking lot paving project to Panagakos Asphalt Paving, Inc in the amount of \$225,000.

After removing the asphalt, Panagakos observed that the condition of the subgrade was extremely poor. The subgrade is not stable enough to allow for asphalt to be laid over it to be warranted by Panagakos and would result in cracking, relatively soon, in high traffic areas

To correct this problem, the change order provided by Panagakos is \$268,620. Funding is available to cover the cost of this change order in the Hospitality & Accommodations Tax Fund Balance.

Councilman Reynolds asked if we should look at a different type of surface. Mr. Fleahman answered that concrete is extremely expensive. The problem is the base has to be stable enough to repave and currently it is not.

Councilman Allgood asked if there was a warranty on the work. Mr. Madden said it is one year and that is standard.

**Motion:** Councilman Matney made a motion to send this item to Council with Councilman Reynolds seconding.

**Vote:** The vote was unanimous (3-0).

7. Public Comment- None

8. Committee Concerns- None

9. Adjournment- Chairman Allgood adjourned the meeting at 8:22 p.m.

Respectfully Submitted,  
Cindy Miller  
Municipal Clerk

# RECREATION COMMITTEE AGENDA ITEM SUMMARY

**MEETING DATE:** April 4, 2022  
**AGENDA ITEM:** 6a

---

**TO:** Recreation Committee  
**FROM:** Recreation Director Bart Cumalander  
**SUBJECT:** Sponsors for Recreation Department

---

## **REQUEST**

---

Open a discussion about whether the Recreation Department should receive sponsorships.

## **HISTORY/BACKGROUND**

---

This item is being presented to the Committee based upon an inquiry presented by City Council on the availability of sponsorships for the City pickleball courts at the Senior Center.

## **ANALYSIS or STAFF FINDINGS**

---

The City does not accept sponsorships. However, in the past, the Mauldin Recreation Department served as liaison to a Baseball Board that did accept sponsorships. The Board was comprised of volunteers. The City did not manage the sponsorships as it was managed by the Board. In allowing sponsorships, the Recreation Department could potentially save money on certain aspects in using the money to buy what is needed for the programs.

## **FISCAL IMPACT**

---

There is no foreseeable fiscal impact.

## **RECOMMENDATION**

---

It is the recommendation of the Recreation Department, to refer to Council on whether sponsorships for pickleball are needed for the recreation department.

## **ATTACHMENTS**

---

None.
