

# MAULDIN SUMMER CAMP

## SAFETY GUIDELINES

### **Drop-off/Pick-up Procedures**

Drop-off will be curbside at Mauldin Sports Center/City Center picnic shelter. Pick-up will be on the front-side of Mauldin Sports Center (located underneath the pop-up tent). Staff will be present to check temperatures and guide children through the hygiene station. Staff will chart this information throughout Summer Camp. **Children who have a temperature of 100.4 degrees or above, or other signs of illness, will not be allowed to attend camp that day.**

Hand hygiene stations will be set up at the picnic shelter and entrance of the facility. Parents and children must clean their hands before they enter and exit.

### **Hygiene Practices & Sanitation**

Children and staff will wash hands with soap, water, and/or hand sanitizer with at least 60% alcohol. Proper hand washing technique signage will be posted in restrooms and hand hygiene stations.

All staff will clean and disinfect all surfaces within the facility regularly. Frequently touched equipment and surfaces will be cleaned, as well.

### **Shared Equipment**

Each child's belongings will be separated from others, in either individual labeled containers and/or cubbies. All art supplies, equipment, etc. will be assigned to a single camper or one group at a time to ensure staff cleans and disinfects between use.

Campers should not bring personal items unless necessary. No sharing electronic devices, toys, books, etc.

### **Lunch/Snacks**

All staff and children will wash hands before preparing, serving, and/or eating food or drinks. Tables and chairs will be sanitized before and after consumption of food. Any prepared meals will be served individually to each child. Staff will be using gloves and wearing masks. There will be no communal sharing of food allowed.

We recommend disposable lunch bags, if a child brings their own lunch. The lunch bag must be able to be stored in their assigned personal area.

Use of the vending machines are prohibited. Everyone is allowed to bring their own snacks and lunch from home. We will serve individually package snacks throughout the day.

**Please don't allow your child to bring money to camp for vending or any other purchases at Mauldin Sports Center.**

### **Social Distance Strategies**

Attendance of camp will be 5 people per 1,000 square feet of usable space to ensure enough room for everyone to remain 6 feet apart, when feasible.

Majority of activities will be spaced out inside the gymnasium and city parks. Staff will use markings to assign each child to specific spot.

Open playground areas will be used in groups. Children will be monitored and staggered while in playground area. All playground equipment will be sanitized before and after use.

### **Sick/Illness**

If a child starts showing symptoms or becomes ill during camp, they will be placed in an isolation area until his or her parents can pick-up.

Parents/guardians, please check child's temperature before coming to the Sports Center. Check for any symptoms or signs of illness, fever, shortness of breath or cough.

Make visual inspections of children including flushed checks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness.

***These guidelines follow the CDC's guidance, as well as SC DHEC and SC DSS recommendations at this time (May 2020). As a result, these guidelines are subject to change. All participants will be notified immediately, if there are any changes.***

***Thank you for choosing to be a part of Mauldin's Summer Camp. We looking to being safe and having fun this Summer!***
