

MAULDIN RECREATION BASKETBALL

PRACTICES

Practices will begin after the Thanksgiving break on Monday, November 27th. Each team can practice twice a week, once on during the week and weekend. The days for the team practices vary depending on the team they are drafted to.

We will not know the exact days for certain team's practices until we have all registered participants assigned teams. When the regular season games start, each team will practice once a week. Most of those practices during the regular season will be on the weekend, but that depends on our availability.

TIMES

All games and practices will begin no earlier than 6pm on weekdays. On weekends, no earlier than 9 AM.

GAMES

Regular season games will start at the beginning of the New Year, January 1ST. There is not a set day for games for any age division. Younger age divisions will play earlier than older age divisions. Games are played on Monday – Thursday and once every three weeks on a Saturday morning.

Every 3rd Saturday a different age group will have a game on that day. There is one game a week for each team unless your age division plays on Saturday that week, which means you will play two games.

LEAGUES

6U and 8U age divisions are coed, both girls and boys on the same team. We will have an all-girls 10U and 12U division. If we do not have enough girls and/or coaches for separate divisions then we will combine for a 10-12U All-Girls Division. We will have an evaluation and draft for each age division. The evaluation is to help split the teams as even as possible. Every kid will be on a team and participate, whether they participate in the evaluation or not.
