

## ***Refund & Cancellation Policy***

### **SPORTS PROGRAM REFUND & CANCELLATION POLICY**

- ***Youth Sports League*** *You may receive a 100% refund if it has been requested before teams and rosters have been made. If this request is not made before teams have been split fees are non-refundable, but instead will receive a credit to account. We understand that things may come up and plans change, however we must build our leagues based on the number of teams and players registered and once payment is made, a spot is reserved for that paid player and so in the event they are unable to fulfill their commitment to the league or program, no refund will be given. The option of a credit to account will be given if desired. If in a certain scenario a participant can't play because of a medical injury (broken leg), a refund will be issued for the participant once a doctor's note has been presented to the Mauldin Recreation Department dealing with the injury.*
