a. Senior Center State Appropriation Budget

As part of the State of South Carolina 2023-2024 Fiscal Year Budget, appropriations were made to the City of Mauldin's Ray Hopkins Senior Center for various capital improvements. Funding is being provided by the Department on Aging and totals \$250,000. As part of the City's request for the funds, the City identified specific capital items to be addressed in the facility. These items included roof repairs, multipurpose court improvements, walking trail improvements, the Americans with Disabilities Act (ADA) bathroom conversion, and other facility amenities/improvements.

The following narrative summarizes conservative estimates for the projects identified in the City's original request and requests from staff that fall under the "other facility amenities." Below is a summary table for each item. Due to the varying scope of work for the projects, the City will post Request for Quotations (RFQs) for these items independently.

Project	Cost
Roof Replacement	\$90,000.00
Multipurpose Court Renovation	\$35,000.00
Walking Trail Renovation	\$10,000.00
ADA Bathroom Conversion	\$20,000.00
Flooring Replacement	\$15,000.00
Door Replacement	\$40,000.00
Interior Painting	\$10,000.00
Water fountain upgrades	\$4,000.00
