### **SPORTS PROGRAM REFUND & CANCELLATION POLICY**

- ***Youth Sports League*** *You may receive a 100% refund if it has been requested before teams and rosters have been made.*
  - *We understand that things may come up and plans change, however we must build our leagues based on the number of teams and players registered and once payment is made, a spot is reserved for that paid player and so in the event they are unable to fulfill their commitment to the league or program, no refund will be given.*
- *If in a certain scenario a participant can't play because of a medical injury (broken leg), a refund will be issued for the participant once a doctor's note has been presented to the Mauldin Recreation Department dealing with the injury.*
