Inclement Weather Procedure

- Check your email to see a message from the Rec Department
- Check “Mauldin Recreation” Facebook Page
- Check “@Mauldin_Recreation” Instagram Page

Coaching Responsibilities:

- Meet with parents before the first practice and discuss our code of conduct. Let them know what will be expected from them out at the field
- Inform all parents of rained out or canceled games and practices (group texts are acceptable as long as you inform the parents that this is the main form of contact)
- Schedule team banquet (Mauldin Recreation does not provide trophies. Teams purchase their own trophies)
- Return any loaned equipment to parks and recreation office.
- Make sure that your team is properly dressed and equipped prior to every game.
- Make sure all participants are picked up by guardians before leaving the facility.
- During practices make sure batters and runners wear helmets including on deck area
- Praise. Every improvement, however small, deserves a compliment. This does not mean you cannot criticize an incorrect batting or fielding stance. Your job is to teach, but please remember to compliment.

Equipment:

- No bat restrictions
- Tball, Modified Coaches Pitch, Coaches Pitch, Minors, and Ozone divisions are not allowed to wear metal cleats
- Any player coaching a base must wear a helmet
- Any player warming up a pitcher must wear a catcher’s facemask
- Teams that do not have bases on practice field will be provided throw down bases

TBALL Rules (3-4)

- No score will be kept or recognized.
- Only 6 players may play in the infield (the rest must be in outfield positions). The key is to teach all of your players the positions. Each team is required to switch out pitcher position every 3 batters (have your player selected and move quickly on your switch)
- All infield and outfield positions must be played. Do not send your team out onto the field not in position (1st, 2nd, 3rd, SS, P, LF, RF, CF). No catcher position will be needed.
- All players present will play the entire ballgame on offense and defense. All players will bat each inning
- The time limit for each game is 1 hour. There will be no forfeits. All teams will play with the number of players they have present at game time

- Each team will maintain its own line up card. The batting order should remain the same throughout the game
- After the last batter completes his turn in the line up teams will switch sides
- Players cannot intentionally roll the ball to a base to get a runner out
- When a team is on offense, a coach should be in each base-coaching box and shall assist the players at bat. You can have a coach at home plate with the batter
- No umpires will be used in this division
- Runners may not steal
- Time limit is 1 hour or 2 innings complete

Modified Coaches Pitch (5-6)

- No score will be kept or recognized
- May have 5 coaches. Pitcher coach, catcher coach, two base coaches, and dugout coach.
- Coaches will pitch from 30ft. No buffer is allowed. Coach must have one foot on chalk line when he/she pitches. Coaches will not pitch from inside the circle. Chalk line will be outside of circle
- Each team will bat through their batting order 2 innings and play the field 2 innings
- A 12 foot diameter chalked or painted player pitcher circle with a chalked or painted line in the center of the pitching circle at 46 feet drawn completely across the circle is the designated player pitcher area. Player pitcher must stay behind the 46 foot line to the left or right of coach pitching
- 6 infielders max. No players sit on bench defensively. Outfielders must be in grass. In the case of a field having a designated outfield with chalk or paint players must stay 10 feet behind that point.
- Six pitches will be allowed. If the batter does not put the ball into play in those six pitches, the ball will be placed on a tee for them to hit. The batter will get six pitches no matter if he swings and misses 1,2,3,4, or 5 times
- Three offensive coaches are allowed on the playing field when at bat. Manager should remain near the dugout or batter's box. First and third base coaches near respective bases. Two defensive coaches are allowed on the playing field for the defense. Defensive coaches must stay in the outfield area. A "throw back" coach is also allowed. This coach will stand behind catcher position and throw ball back to coach pitcher (keeps game flowing)
- Half way marks will be provided. In order to get time called ANY player must have ball in possession inside the circle or lead runner must be stopped. Only then will time be granted. If a runner is past the halfway marker he will be awarded the next base. If runner did not pass halfway marker the runner will be required to return to last base touched.
- In the event that you have an overthrow to first, second, third, home plate, or back into player pitcher (ball goes behind the fielder at the base or home plate) the maximum number of bases a runner can advance is one base. He will be advancing at his own risk. If the ball thrown to the base remains in front of fielder at 1st, 2nd, or 3rd runners may advance as far as they want at their own risk

- Once you have an overthrow
 - 1. Runners can advance a MAXIMUM of 1 base
 - 2. They are advancing at their OWN RISK
 - 3. If your runner is put out he is out
 - 4. If the infielder or outfielder makes another errant throw on the 1 base advancement it does not matter. The baserunners are restricted to a MAXIMUM advance of 1 base. Does not matter if you have 1, 2, 3, 4, or 14000 overthrows. Your baserunners are restricted to 1 base after the initial overthrow
- If the coach is struck by a batted ball it will be treated as a foul ball
- If the ball is hit and any defensive player touches the ball first and then the ball hits the coach the play will be treated as a live ball
- No offensive coaches may stand behind batter's box instructing batter (the only coach who may stand behind catcher is throw back coach). Base coaches may stand behind first and third. If you need to call time to talk to your batter feel free to do so only 1 time per half inning (in order to keep the game moving).
- If the coach interferes with a ball in play, time will be called and the batter will be called out and runners cannot advance
