

**REQUEST FOR PROPOSALS  
MOBILE COMMAND POST VEHICLE  
MAULDIN POLICE DEPARTMENT  
DECEMBER 5, 2024**

**SUMMARY**

The City of Mauldin Police Department is seeking qualified bids from vendors capable of planning, building and delivering a mobile Command Post Vehicle (CPV) for departmental use. The vehicle will serve in a variety of roles including incident command post, crisis intervention scenarios, disaster response, community events, and other special programming.

**BACKGROUND**

In July 2024, the Mauldin Police Department received grant funding for the purchase of a mobile Command Post Vehicle (CPV) to serve as a platform for a multitude of emergency and non-emergency events including, but not limited to, crisis intervention, natural and man-made disaster command location, traffic safety checkpoints, community events, and more. This type of vehicle is becoming increasingly more important and necessary for departments as communities grow and the challenges swell.

**PROJECT DESCRIPTION**

Mauldin Police Department (MPD) is interested in seeking qualified bids from vendors capable of planning, building, and delivering a vehicle described herein. All bid responses must include a quote valid until January 31, 2025 based upon the specifications below. Bidders should indicate substitution of similar products when applicable. Specifications below are the minimum requirements for the vehicle, additional options or add-ons should be noted in the quote. **Attachment A** contains reference drawings of vehicle layout preferred by MPD. However, MPD will work with the successful bidder to layout the vehicle based upon recommendations of the bidder.
