

City of Mauldin **Dogs in Parks Rules**

General Regulations

1. Control/Behavior- The dog owner/handler is responsible for keeping the dog under control at all times and is responsible for the dog's behavior. The dog must be on a leash no longer than 6 feet.
2. City staff may require removal of any dog that becomes unruly.
3. Clean-Up- The handler / owner is responsible and must possess the tools required for clean-up and disposal of dog waste.
4. Restricted Areas: Dogs are not allowed in the following areas: Playgrounds, athletic fields and in the area of special or programmed events including games and practices.
5. Service Animals- Service dogs are exempt from the limitations while in the performance of their duties. Service dogs are defined as dogs trained and identified by specialized equipment or other markings: police dogs on duty; and animals specifically noted in the special events application, i.e. specific events in which the animal is entered or invited.
