6. New Business

a. Ordinance Amending Chapter 6- Animals

Mauldin Police Department is regularly asked to investigate animal complaints throughout the City. Investigations include complaints of nuisance animals, mistreatment, abandonment, and other violations. Through the course of various investigations, MPD's Code Enforcement Officer has found that certain deficiencies exist within the current code that, if changed, would increase the effectiveness of investigations. These changes include adding two definitions for clarity

regarding proper sustenance and shelter for animals and updating reporting requirements to include participation in any judicial action by the complainant.

Councilman Allgood asked about the shelter section of this draft ordinance and whether shelter should be further defined as having three walls, or be some type of house for outside animals to keep them from being exposed to the elements.

Councilman Allgood asked if it would be difficult to have witnesses come to court to testify when they are already hesitant to report a problem. Chief Miller said this is mainly for barking dog and nuisance animal cases where an officer does not witness the problem first-hand.

Motion: Councilman Kraeling made a motion to send this item to Council with a recommendation to approve. Councilman Allgood seconded the motion.

Vote: The vote was unanimous (3-0).

b. Ordinance to Amend Chapter 38, Through Truck Routes

Council adopted an ordinance in 2022 restricting semi-truck traffic on Hamby Drive. The ordinance adopted specifically limited through traffic for semi-trucks and similar vehicles along Hamby Drive between Miller Road and Forester Drive. Signs were installed at the intersection of Miller Road and Hamby Drive and Forester Drive and Hamby Drive to warn drivers and it allows Mauldin Police Department to issue citations for semi-truck drivers who violate the restriction.

While this roadway is specifically mentioned in code, there are No Thru Truck signs in other parts of the community, without an accompanying ordinance. While these signs may deter many semi-truck drivers, without the accompanying ordinance, it leaves MPD in a precarious position when it comes to issuing citations.

To provide MPD with the best opportunity for enforcement, staff has drafted an ordinance that would specifically callout streets and No Thru Truck Routes. These routes include:

Owens Lane to Ashmore Bridge Road by way of Maple Drive
Owens Lane to Ashmore Bridge Road by way of Crestwood Drive
Whatley Circle to Ashmore Bridge Road by way of Woodland Drive

Councilman Allgood asked if there were additional roads would they be added by ordinance. Mr. Duncan answered yes.

Chairwoman King said Knollwood Drive has a No Thru Truck sign as well. It will be added to the list prior to the Council meeting.

Motion: Councilman Kraeling made a motion to send this item to Council. Councilman Allgood seconded the motion.

Vote: The vote was unanimous (3-0).

c. Ordinance Amending Chapter 28- Parades, Picketing and Demonstrations

In order to provide clear guidance to MPD and the public pertaining to demonstrations and protest on the Mauldin Gateway bridge, staff has prepared an ordinance for consideration. This ordinance is not intended to regulate the content of speech or expression, but is a content-neutral regulation of the time, place and manner of such activities, narrowly tailored to address public safety concerns and the free use of public spaces by the public.

The ordinance specifically prohibits affixing permanent or temporary physical structure or display on any bridge, trail, or sidewalk without permission by the City.

The ordinance also requires demonstrations to leave a minimum of five (5) feet of unobstructed width on any public trail, three (3) feet for sidewalks, and one-half of the available width of a bridge walkway for the safe passage of users.

It also requires a permit for demonstrations that will involve groups of 20 people or more.

Councilman Allgood asked if the new ordinance would affect either 5k runs or parades. Mr. Duncan said no, those are events, and have separate rules. Councilman Allgood said the ordinance section could be renamed from Parades, Picketing and Demonstrations if the rules do not apply to parades.

Motion: Councilman Kraeling made a motion to send this item to Council. Councilman Allgood seconded the motion.

Vote: The vote was unanimous (3-0).

7. Public Comment- None

8. Committee Concerns- None

9. Adjournment- Chairwoman King adjourned the meeting at 6:52 p.m.

Respectfully Submitted,
Cindy Miller
Municipal Clerk

PUBLIC SAFETY COMMITTEE

AGENDA ITEM SUMMARY

MEETING DATE: November 3, 2025

AGENDA ITEM: 6a

TO: Public Safety Committee
FROM: Donna DeRado, Judicial Director/Chief Municipal Judge
SUBJECT: Associate Trial and Administrative Judges Re-Appointment Terms

REQUEST

To re-appoint two (2) current Associate Trial Judges and two (2) Administrative Judges for two-year appointment terms set to expire December 1, 2027.

HISTORY/BACKGROUND

At this time, several Municipal Judge positions (Associate Trial Judges and Administrative Judges) are due for appointment/re-appointment terms within the following parameters: Per S.C. Summary Court Judges Bench Book and per S.C. Code Ann. § 14-25-15(A) of the Code, it provides that "Each Municipal Judge must be appointed by the council to serve for a term set by the Council of not less than two years but not more than four years and until his successor is appointed and qualified." In compliance with the requirements of the South Carolina Court Administration and the appointment terms approved by City Council, the following Municipal Judge positions are scheduled for re-appointment due to the expiration of terms: two (2) Associate Trial Judges and two (2) Administrative Judges.

ANALYSIS or STAFF FINDINGS

Based on the current volume of arrests, bond hearings and court sessions conducted, it is believed that the current number and composition of part-time municipal judges appointed by Council adequately meet the City's operational needs. These re-appointed judges will perform their duties within the scope of their designated judicial roles to ensure the fair, efficient, and timely administration of justice for the community. All current judge appointments presented have expired and need new appointment terms. We currently have one more vacant associate trial judge position to be filled while all administrative judge positions would be filled.

FISCAL IMPACT

There is no fiscal impact to the City associated with this request as the Judicial budget already includes these positions.

RECOMMENDATION

Re-Appoint Judge Will McKibbin – Associate Trial Judge – two year term to expire 12/1/2027
Re-Appoint Judge Christopher Jackson - Associate Trial Judge – two year term to expire 12/1/2027
Re-Appoint Judge Curtis Spearman – Administrative Judge - two year term to expire 12/1/2027
Re-Appoint Judge Mark Putnam - Administrative Judge - two year term to expire 12/1/2027
