6. New Business

a. Adoption of the 2026 Greenville County Multi-Jurisdictional Hazard Mitigation and Resiliency Plan

Greenville County and its municipal jurisdictions are vulnerable to a wide range of natural hazards, including floods, winter storms, tornadoes/high winds, severe storms/thunderstorms, drought, wildfires, and earthquakes. Hazard mitigation planning aids in reducing the impacts that these hazards can have on the community.

Greenville County adopted its Hazard Mitigation Plan in 2005. This plan is required to be updated every 5 years. In 2010, the County converted the original plan to a multi-jurisdictional plan as it involved and included the cities of Mauldin, Greenville, Greer, Simpsonville, Fountain Inn, and Travelers Rest.

Participating in the Greenville County Multi-Jurisdictional Hazard Mitigation Plan enables a more comprehensive approach to mitigating the hazards that pose an equal threat to Greenville County, the City of Mauldin, and other participating jurisdictions.

FEMA requires a jurisdiction to have a current hazard mitigation plan when applying for certain types of non-emergency disaster assistance including various grants.
Staff request this updated resolution be forwarded to full council for approval.

Motion: Councilman Kraeling made a motion to forward this item to Council with Councilman Allgood seconding.

Vote: The vote was unanimous (3-0).

7. Public Comment (Non-Agenda Items)- None

8. Committee Concerns- None

9. Adjournment- Chairwoman King adjourned the meeting at 6:11 p.m.

Respectfully Submitted,
Cindy Miller
Municipal Clerk
